

"Celebrating 25 Years"

Beth Scholze

Hi! My name is Beth and I started working at Scholze's in July of 2008. I will be attending Madison in the fall and I am hoping to major in physics. I live with my parents, Duane and Ann and my brother Aaron on a farm outside of Humbird. At work I spend my time cashiering, stocking and helping customers find what they need for their projects. I really like that my job is never mundane and boring, but it's ever changing and interesting. When I am not at work I love to read, listen to music and do Sudoku puzzles. Stop in today -the team at Ace is ready to help you!
