

"Celebrating 25 Years"

Dan Scholze

Dan Scholze opened the first office February 1, 1984. As the owner, I multi-task most of the time. I spend most of my time in the office, purchasing product and overseeing the general operation of the business. I enjoy the opportunities I have to help customers. There is a great satisfaction in helping find a solution to a problem or assisting our customers in achieving their expectations on a project they are doing. When I occasionally get away from the store I enjoy traveling with Sara. I also enjoy a round of golf. Hunting with

Matthew and Jacob is another highlight of the year. While the business has grown, much of my time has gone from hands on customer service, to more behind the scene responsibilities. I have been able to do this because of the great team we have at Scholze Ace Home Center. The most important thing we have to do at Ace, is help you, our customer. 25 years ago I never anticipated the business to grow as it has. It has been quite a ride with many challenges along the way. The best part of it has been the people, both customers and employees whom I have been able to work with. As part of our 25th anniversary celebration this year, we will feature each of our employees in this spot during the month they began working for us. I hope this allows our customers the opportunity to know our team just a little bit better.

For a broader history of Scholze Ace Home Center see the article in the February 4, 2009 issue of the Banner Journal.
