

"Celebrating 25 Years"

Dave Dobson

My name is Dave and I began working at Scholze's in May of 2008. I work full time in the lumber yard filling customer orders, making deliveries and helping with rental equipment. My wife Tracy and I have 2 children, Antonie, six, and Zacharie, two, and we are expecting our third child in December 2009. I enjoy spending time with my family, when I am not working, and also hunting, fishing, riding ATV's and shooting sporting

clays. I like finding products to recommend to customers for their projects and I find work is satisfying when customers are able to leave with a smile on their face. If you need advice or ideas on doing a project, visit your team at Scholze's and we will try our best to make your job easier.
