

"Celebrating 25 Years"

Jacob Scholze

I began working at Scholze Ace Home Center when I was about 12 years old. Six of those years were spent on the front sales floor, stocking, cashiering and helping customers. January 2004 I moved to Appleton, Wisconsin and lived there for three and a half years.

I spent my first year working for a gutter and siding company. I went to work for Appleton Ace Hardware in January 2005 serving as a department manager and training coordinator for roughly two and a half years. In May 2007 my wife Alicia and I moved back to Black River Falls, and I joined Adam Pillard working in the contracting center. I primarily assist contractors, estimating and selling building materials for new construction and remodeling projects. When I'm not at work I enjoy getting together with friends and family and traveling with Alicia. I'd like to thank all our loyal customers, I sincerely appreciate every opportunity to work with you, and it is my desire to give you the service you expect and deserve!
