

"Celebrating 25 Years"

James Norton

My name is James Norton and I began working at Ace in October of 2000. I work in receiving which involves receiving/stocking the Ace order weekly. I also work on the floor in sales and cashiering helping our customers with many projects such as painting, electrical and plumbing. I have a wonderful wife, Susan, of 28 years and we have 3 girls together. My oldest daughter is Katherine (20 years) and she is attending UW-La Crosse. I also have a set of 19 year old twins - Hannah and Rachel. We can't forget our beautiful dog, Maya! One of the favorite parts to my job is having conversations with some of our regular customers and helping people with their home projects, assisting them in any way possible,

making their day that much better. I have had training in the paint department and in the Garden Center which allows me to take care of our customers better. I enjoy traveling with my family, listening to music, reading literature, taking walks with my dog and collecting books on Musical Americana. I feel that the team at Scholze's is the best group of people I have worked with. Stop in and see us today!
