

"Celebrating 25 Years"

Jeff Drinovsky

I worked at Scholze's from April 2000-2004 and returned again in April 2007. Currently I work in the lumber yard but I have also worked as a carpenter. I have one son Sean who is 8-years old and I enjoy spending time with my family and friends. I also enjoy hunting, fishing, remodeling and working on my HO scale train layout. As part of the lumber yard team, I load and deliver product for customers. I have my CDL which allows us to supply even the very large jobs. I particularly enjoy interacting with customers and contractors and find satisfaction when a customer comes back in and tells me they tried one of my solutions to their project and it actually worked! You can't always get the one-on-one service from the big chain stores that we try to give. We truly are the helpful place!
