

# "Celebrating 25 Years"

## **Maria Pillard**

*I started working off and on at the store from a very young age since it was a family business. After graduating in 1995 I began working the sales floor on a more consistent basis until 1997 when my husband Jeremy and I were married and I moved to Madison. In August of 2000 we moved back to the area and I began working as the Human Resource Manager and Advertising Coordinator here at Ace. My job has a huge amount of variety to it - something that I enjoy. Working 1 on 1 with the employee's is rewarding - we have an awesome team that functions well together. I work limited hours at the office and from home making it possible to spend a majority of my time with my kids, which I love! Jeremy and I enjoy spending time with our 2 children, Sadie (7 yrs.) and Aiden (10 mos.) and I enjoy gardening, camping and traveling. The entire team at Ace is working for you. Thank you for trusting us with your projects, large and small, and for supporting your local businesses.*
