

# "Celebrating 25 Years"

## **Matthew Scholze**

*Being a family business working at Ace has been a big part of my life. I have worked off and on at the store since the very beginning and started out stocking, doing customer service and management throughout all departments. In 2003 I helped organize what is now our Contracting Center. I have done carpentry in the past, including running my own business, which I really enjoyed. Currently I am the IT and Inventory Manager at Ace which involves maintaining all of*

*the computer systems and inventory. I mostly work behind the scenes, sometimes very unusual hours, so you don't see me on the floor much anymore. My wife, Kat and I have been married for 15 years and live in Black River Falls. I enjoy golfing, reading, watching movies and spending time with my niece, Sadie and nephew, Aiden. Even though I am behind the scenes most of the time these days I enjoy talking with customers when I can.*

**Thank you for your business!**
