

“Celebrating 25 Years”

Matt Lechner

Hello. My name is Matt Lechner and I have worked at Scholze Ace Home Center since May of 2006. I live in Black River Falls and enjoy working on cars and lawn mowers in my spare time. I currently work part-time in the lumberyard and I spend much of my time helping customers, loading and unloading trucks, keeping the yard organized and making deliveries. I really enjoy helping customers solve difficult problems they come across in their project and working with them to find a solution. I also enjoy making deliveries and seeing many interesting job sites. No matter what the problem, we will do our best to always help you. Stop in today!
