

"Celebrating 25 Years"

Mike Esser

My name is Mike and I started working at Scholze's in December of 1999. I have been married to my wife Joan for 35 years and our family includes our son Anthony, and his 2 daughters Eliza and Abigail, our son Mathew, and our son Scott (Danielle) and their 2 children Conner and Corah. I am the yard manager and supervise all aspects of incoming and outgoing products in the lumber yard at Ace. Most importantly my job includes meeting the needs

of our customers. I really enjoy offering assistance to customers for their projects by giving suggestions and guidance and its always great when they come back and say "thanks, it worked out great!" When I am not working I like to do bird watching and gardening, go fishing and cut wood. I also enjoy taking walks with my wife and spending time with our grandchildren. I have enjoyed working for Scholze's the past 10 years - everyone is great to work with. Thank you for making us your store of choice and we hope to continue to meet all your project and building needs.
