

"Celebrating 25 Years"

Naomi McDonald

Hi! My name is Naomi and I started working at Ace in 2001 and worked the summer months while I attended school at the University of Wisconsin-Platteville. I started full-time in 2003. I work hard on our family farm with my parents, Larry and Cheryl, my sister Carrie and brother Adam. I live outside of Taylor and enjoy spending time outside, fishing, gardening, quilting and being with my family. At Ace I have worked in the garden center, however, currently I work at the back service counter and I am the Flooring Manager. I help customers with rentals, wallpaper, flooring, building materials and often go out to measure for jobs. I enjoy working with our customers and helping them complete their projects. I have attended many training sessions to keep expanding my knowledge of the store which I enjoy. Stop in and see me for your next flooring or building project!
