

# "Celebrating 25 Years"

## Phyllis Lambert

*My name is Phyllis and I began working for Scholze's in November of 1984. My husband, Ron and I have been married for 42 years this fall and we have 4 wonderful children who have blessed us with soon to be eight beautiful grandchildren. Six boys and two girls. Two of our children live in Black River, our oldest daughter lives in Florida, and our youngest son lives in Ketchikan, AK. This gives us plenty of chance to travel where it's warm in the winter, and somewhere cool in the summertime. I am the office manager and take care of accounts payable. I have always enjoyed working with numbers and on the computer, which can be a challenge at times. Through the years I have attended many seminars*

*for training on various office procedures and computer programs. When I'm not working, I enjoy spending time with my family and friends, traveling, gardening, crocheting, and other crafts. I also share in some volunteer work. I enjoy the team of people I work with, and we in turn look forward to serving the community in any way that we can. I have enjoyed meeting many new people, and have helped to serve many loyal customers through the past 25 years. I want to personally thank you all for your continued support and loyalty to Scholze Ace Home Center. It is your continued patronage that has helped to make our store what it is today.*
