

"Celebrating 25 Years"

Roxanne Rogers

I moved here from California, where I met Paul Nau, a carpenter. We've been together eleven years now, and live in Melrose with our two cats. My favorite hobby is photography.

I love exploring nature and I volunteer with Friends of the Black River. At Ace, I work as a garden technician and cashier, maintaining flowers and plants and assisting customers with yard, garden and indoor projects. My job has been a very important part of my life and I feel like part of a family here.

I enjoy helping customers with their projects, offering suggestions and solving problems. Our customers know this is not just a hardware store, it is an important part of the Black River Falls community. I love that! Thank you!
