

"Celebrating 25 Years"

Sandy Kauffman

I began working at Scholze's in June of 1997 after my husband Don and I moved here from Janesville. I am the paint manager at Ace and many know me as the "Paint Lady." My favorite part is helping customers with their painting projects and helping them to choose the colors to go with their decor. I really enjoy it when my customers come back to me and say how happy they are with our

service and the colors we chose. I love working at ACE, I feel like I am working with my extended family. Away from work my favorite pastime is spending time with my grandchildren. Don and I have three sons and two daughters and we have seven grandchildren, with one on the way. I enjoy reading, scrapbooking and gardening.

Thank you for the opportunity to serve you. You are not only customers, but friends as well. We appreciate your business!
