

"Celebrating 25 Years"

Susan & Jennifer Scholze

Hello! My name is Susan Scholze with my daughter Jennifer. We both began working at Scholze's in November 1992. My husband Ken was one of the co-founders of Scholze Builders, with Dan in 1976, and retired in 2007. We live in rural Black River Falls with daughters Jennifer and Kerry. We have a cat named Linus and a black lab, Raven. Our primary responsibility for the store is cleaning, so we often work when the store is closed. I also work in the store and garden center stocking and helping to maintain our gardens in the summertime.

We like to keep the store neat and clean for the customers to enjoy their shopping experience. We, along with Kerry, really enjoy working at our annual Customer Appreciation Event every October, grilling and serving hotdogs. Away from work, Jennifer likes to travel with her sister out west and also to Lake Superior. Even though we are behind the scenes we appreciate those who shop Scholze Ace Home Center. Thank you!
