

"Celebrating 25 Years"

Sara Scholze

Hello. My name is Sara Scholze and I began working in Feb. 1984. With four children under 11 years it was part-time, bookkeeping and payroll and later paint and flooring. Our children were a great help at home and began at Ace as they could. My department soon included wallpaper and window treatments and later the Garden Center. I have enjoyed all of our employees, we are a family team. I also have enjoyed all the customers who I have helped since the beginning. Dan and I enjoy traveling, and entertaining family and friends. I love to cook, read, garden and I'm a Master Gardener. I enjoy the Karner Blue Garden Club and my Peruvian Paso horse, "Tessoro." I have also enjoyed taking care of our retreat, "Caballero Retreat." Most of all, I enjoy all the wonderful people I have met in our 25 years. Thanks to all of you!
